# Civil Weddings & Ceremonies

Darrington Golf Club is licenced for civil weddings, civil partnerships and renewal of wedding vows. Our Specialist Wedding Planners will set the scene with a beautiful Registrar's desk along with comfortable seating for your guests. As the license holder, Darrington Golf Club provides a licensed representative to organise your guests on the day and be present during the service.

If you wish to hold your marriage ceremony at Darrington Golf Club, you must telephone the Registrar to check availability. By law only the Registrar can book your marriage ceremony and without two Registrars your marriage cannot take place. Until you contact the Registrar you have only booked the room at Darrington Golf Club, not the marriage ceremony. If the Registrars are not already committed they will be happy to take a booking from you, however availability cannot be guaranteed. The Registrar will not accept a booking for your marriage ceremony unless you are legally free to marry, i.e. neither of you

is awaiting a Final and Absolute Divorce Decree.

Once you have set your date, independent arrangements should be made with the Wakefield or Pontefract Registrar who can be contacted on the details below.

The ceremony must not contain any religious elements. Any readings, words, music or performance which forms part of the ceremony of marriage must be secular. If you are unsure as to what you can include please contact the Ceremonies Co-ordinator at the Register Office details below.

On the wedding day, the room must be open and accessible to the public both prior to and during the ceremony, so that they may witness the ceremony and be able to make any objections.

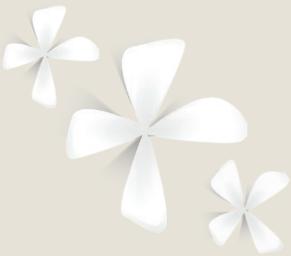

Your dedicated Wedding Planner will be with you every step of the way to guide you through the ceremony and ensure all your guests are seated and present for the service.
